

APPENDIX L

UNDERSERVED CITY

Per QAP Section 6.2.4, Underserved City, a Project that is located in a city that hasn't received an award of Low-Income Housing Tax Credits (Tax Credits) in the last three (3) years will be eligible for this category. An award of Tax Credits includes a supplemental Tax Credit award. A city will not be excluded as an Underserved City because a Project located in the city received an award of Tax Credits within the last three (3) years, but later returned the entire Tax Credit award.

This Appendix L lists all Iowa cities that had a Project receive a Tax Credit award in the previous three (3) years. Any city that is **NOT** listed in this Appendix L qualifies as an Underserved City.

****Please note that for a Project to receive points for QAP Section 6.2.4, Underserved City, the entire Project shall be located in a city or cities that qualify as an Underserved City.**
